# Diving Savior Home/School (HSA) Events & Sign Up Sheets

2011/2012 School Year (September 2011)

Listed below are descriptions of the events that are sponsored by the HSA and a sentence or two about the responsibilities of the person(s) who agree to help with those events. More detailed instructions will be provided to volunteers prior to the start of the event/activity. This list is meant to create a core group of lead people but will not necessarily provide all of the help needed for each event/activity. Committee members may need to recruit additional help for certain events. **The HSA requests that each family sign up for one slot.**

Volunteering for these activities/events will be a good way to meet other parents. The objective of the HSA is to involve parents, teachers, staff and students in special activities to increase mental, social, physical and spiritual education. Our goal is to enhance the parents' and teachers' role in the education of the children by providing opportunities for everyone to work together by promoting and sponsoring parent-school activities.

\*These activities are budgeted by HSA; volunteers are not expected to cover the costs of items/services associated with these activities. Activity/Event Chairs will receive information about the amount budgeted for each event/activity.
