## APPLE PIE SALES

Please turn in ALL apple pie order forms and money by Tuesday, September 27<sup>th</sup>. We need to get a final count before apple pie production. An email will be sent later next week stating how many we have left to sell. These pies will be available to purchase the weekend of apple pie production.

Please see the attached sheet with Apple Pie information on it.

## APPLE PIE WORK SCHEDULE

Thank you to each family who has signed up for their 5 shifts already.

Each school family will need to fill 5 - 4 hour shifts to make the production of these 4,000 pies a success. This is a wonderful time to meet new people and help out Divine Savior School with one of our largest fundraisers.

We have a responsibility, as parents choosing to send our children to school at DS, to help out with all the major fundraisers that help make it possible for our school to exist. Without this fundraiser roughly \$300 would be added to each child's tuition.

Please take time to fill in your family's 5 shifts on the attached work schedule and return to the office. Thank you.

## DONATION OF FOOD

Our apple pie making weekend is fast approaching!! In between shifts, we would like to have food and drinks available for our volunteers. If you are able to donate a food or drink item we would appreciate it very much! Our dedicated volunteers help us reach our goal every year and we feel it is important to offer them this small token of appreciation.

Please call Julie Guetzke at 894-4681 if you are able to bring any food or drink items on Friday, October 7<sup>th</sup> or Saturday October 8<sup>th</sup>.

## 8<sup>TH</sup> GRADE CAN DRIVE

The 8<sup>th</sup> graders are collecting cans as a fundraiser for their class trip. They would greatly appreciate it if you would drop off your aluminum cans at Mid-Shore Disposals, 1802 Roosevelt Ave., New Holstein. When you drop off the cans, please tell them that the money goes to the 8<sup>th</sup> grade class at Divine Savior. If you cannot get them there, feel free to contact any 8<sup>th</sup> grader or the school and we will find a way to get the cans.

Thank you!  
Grade 8

## PACKERS

### Looking for Help!

The Packer Schedule is looking pretty good but we do have open slots for families to fill in. **November 14<sup>th</sup>** is the next Packer game in which we need 9 more volunteers. We must fill in these vacant spots or we will be fined by Levy \$85.00 per person we are short. This is a great fundraiser which helps reduce the cost of everyone's tuition. The next two big games to work on are the Dec. 25<sup>th</sup> and Jan. 1<sup>st</sup> games. Please take a look at your schedule and see if you can help out.

As a reminder, each family needs to do their part and fill 3 slots to make this fundraiser a success. You can recruit others to come with; they just need to be 21 years old or older. All volunteers must take the On-line Alcohol Test, for information see below.

Please look at the attached schedule and contact me via phone #286-6090 or e-mail [karljessica@ymail.com](mailto:karljessica@ymail.com) anytime to sign up.

Thank You!!

Jessica Karls

\*Copies of your order forms will be available when you pick up your pies.

\*Due to quality and safety concerns, it is the pie committee's policy that no one below grade 7 is to be in Voland Hall during pie production.

\*The gym will NOT be available for kids to run and play in. The door will be locked during pie production.

\*There are still openings available for pie production on Friday and Saturday. Any interested people should just show up at Voland Hall, there is no need to call anyone.

**\*\* THIS YEAR WE NEED TO FOCUS ON QUALITY NOT QUANTITY OF THE PIES. WE KNOW WE CAN PRODUCE 4,000 PIES WITH NO PROBLEM. HOWEVER, WE NEED TO REALLY FOCUS ON FOLLOWING THE DIRECTIONS GIVEN AT EACH STATION SO OUR END PRODUCT THAT IS BOXED IS OF THE HIGHEST QUALITY \*\***

\*Thanks to all for your efforts in making this continue to be a successful fundraiser for our school.

# HOME & SCHOOL CONNECTION

## Next Meeting

Featuring "Move to the Groove"

- Saturday, November 5<sup>th</sup>
- 10am – 11:30am
- Elementary School Gym/Voland Hall
- Entire family invited

*Thank you, God, for the faculty and staff of our school who give of themselves and paint a tapestry of love and generosity that reaches far into unseen places.*

*Thank you Lord, for parents who bring us the gift of themselves, ever present in the liveliness of their children. They are the warp and weave in the fabric by which we bind ourselves to our tradition.*

*Thank you, God, for the students whose smiles and curiosity are the spark by which we measure our days, whose lives are the foundation for your church in the future.*

## Move to the Groove!

Mark your calendars for **Saturday, November 5<sup>th</sup>**, because "Move to the Groove" is coming to Divine Savior!

You may have heard about Rhex Arboleada and his program through Extreme Home Makeover or from your children, who have practiced the moves at school.

Rhex will be leading an interactive (yes, get ready to "move") program for the entire family on November 5th. This is an

exciting way for us to interact as a school community and learn more about ways that we can all stay healthy – while having fun.

Rhex is a Catholic grade school music teacher and the proud father of five children. He has been awarded national, state and local awards for his work and the "Move to the Groove" program. Rhex holds a Masters degree in music education, is active in his

local church and is passionate about getting kids active in a fun and approachable manner to prevent childhood obesity. Through "Move to the Groove", Rhex has combined his passion for music and fighting childhood obesity into a successful and easily accessible program.

## First Meeting

We ended on time! Time is important to all of us, so we thought we may catch your attention with that! Our first meeting was September 26<sup>th</sup> ~ and really did finish on time (!), although many of the attendees chose to stay and socialize after.

Mr. Stepanek introduced our faculty and it was a great way to start the new school year. We had updates from our committees and welcomed our new families who were in attendance.

The collaboration with CPES and the work of the Catholic School Commission was discussed. Gary provided important information and stressed the importance for everyone to attend the Listening Session on **October 18<sup>th</sup> at 7:00p.m. at the Middle School Gym in New Holstein.** There will also be an Open House starting at 6:30pm at that campus as part of the Listening Session. This is a great opportunity for everyone to ask the questions they have.

Our meeting ended with a reflection reminding all of us that "we are one, to serve the mission of our school community as only we can."

The fourth grade class had the most parents in attendance and won healthy snacks for the class, while a few lucky people who chose the good seats (hint: not the one's in the back) left with a door prize.

We look forward to seeing everyone at our next meeting!
