

HOT LUNCH PROGRAM

To All School Families,

Attached you will find the forms for Free and Reduced Meals for the National School Lunch Program, which the school participates in. Please look the Income Guidelines over carefully for your family to see if you qualify for free or reduced lunch prices. We urge you to apply if your income qualifies you to do so. This does not cost Divine Savior School or the lunch program a penny if you use the free or reduced lunch program. In fact, our school lunch program gets a better reimbursement from the state if we have families participate in this program. Our school even gets special state educational benefits, and this information also helps us apply for grants, if we have families who qualify participate in this program.

So again, please look the forms over carefully, and if you have any questions, please contact the school administrator. Your child will not be singled out from the rest of the students if you use this program.

If for any reason your income level changes as the school year goes on, and you feel you might qualify for special meal prices, you may apply at any time during the school year, just contact the school administrator.
