

Dear Parents,

We will be starting a new school year soon and the HOT LUNCH PROGRAM will again be available. We do need to inform you of an increase in the meal prices. Lunch prices for the 2009-2010 school year will be:

- ◆ Grades KN - 4 = \$2.00 per meal
- ◆ Grades 5 - 8 = \$2.25 per meal
- ◆ Pre-School = \$1.85 per meal
- ◆ Adult price = \$3.00 per meal

All meals include one milk. Additional milk may be purchased for \$.35 on any day during lunch. You are welcome to join your children for lunch any time. Please notify the office or the kitchen by 9:00 a.m. the day you wish to join us for lunch so we can have an accurate lunch count for the day.

To receive the above lunch prices, K-8 lunches must be purchased on the 1st day of the school week otherwise cost per lunch is **\$2.50**.

Lunch money may be paid on a weekly or monthly basis. **We encourage you to pay by the month if possible.** Please turn your lunch money in on Monday mornings to your classroom teacher, making sure the envelope is labeled with your child's name and chosen lunch dates. Make checks payable to: Divine Savior Hot Lunch Program. The menu is sent home in the communication envelope about the third week of each month. This menu contains the weekly and monthly price breakdown for your convenience. Any credits from days absent will be carried forward.

There may be a change in a day's menu due to commodity availability. Students will still be offered a wholesome meal including the five food items required by the state.

As always, we do take food donations for our lunch program. Please call and let us know first what you would like to donate. Most fresh vegetables, apples, pears etc. are acceptable. All donations to the program are welcome and help keep the cost of lunch to a minimum.

Occasionally the lunch staff will substitute a different fruit or vegetable from what is listed on the menu depending on availability. This change helps us run a more cost effective lunch program.

If your child has any food allergies, please fill out the bottom portion of this sheet.

If we do not hear from you, we will assume your child is able to eat all types of food.

Sincerely,
Kathy Berrend, Food Service Director

If necessary, please return bottom portion of this form on Registration/Orientation Day.

SCHOOL YEAR 2010-2011
