

## Scrip Update

Welcome back to our Religious Education Program! Last year was a great year for our scrip program. Thanks to all of you dedicated customers; we raised about \$25,000.00! \$1,376 of that will be going to our religious education families toward their tuition! Way to go!!

For those of you who haven't tried scrip, it really is relatively easy. Every week, you have to fill your refrigerator and/or your gas tank. Instead of paying Piggly Wiggly or BP with a checks for \$50 each, write one check out to Holy Rosary Scrip, get two gift cards for \$50, do your normal shopping and fill your tank, and get \$2.50 off next year's tuition! After 52 weeks, you have at least \$130 off Religious Education for next year if that is more than your tuition, the extra money goes to our Religious Education Program. Once you get used to doing groceries and gas in this new way, check out our store list and order sheet for your other favorite spots to eat or shop. We carry quite a variety. We even now have iTunes in \$15 cards and Regis Salon cards in \$25 to use at the Smart Style salon in Wal Mart. We order every Sunday and receive these orders by Wednesday afternoon if you have any special orders off our regular stock(see attached order form) check the GLSC website [glscrip.com](http://glscrip.com) and order with your regular order. Tell your parents, neighbors, siblings and friends who don't have school age children at our school or in our Religious Education program to try it out and credit your tuition. For every dollar you spend with scrip, 2.5% goes back to you off your tuition.

If you have any questions about our scrip program, call Christy Schmitz (898-9172) or Tena Hartwig (898-5030). The scrip box is available in the Divine Savior School Office in New Holstein during school hours. M&I Bank also carries most of our more popular and local stores for your convenience during banking hours. Every weekend before and after the masses, there is a scrip seller in the main wing with the box and we have updated store lists and order sheets in each wing of Church. Once you get in the habit of using scrip, it really is easy and convenient.
