## LETTER FROM THE PRINCIPAL

Dear Parents,

This year has been a year for changes for sure. We are committed to providing the best education experience possible for all the children at Divine Savior. The report your child brought home last week highlighted some aspects of our school. I have attached a link to this recently published State of the School Report if you have not seen the printed copy. This year we will also be facing some changes with how we are fundraising. We are working on a more formalized School Annual Fund which will launch in January. This is important for Divine Savior School because our fundraising helps reduce the gap between tuition, parish support and the cost to educate our students; they help keep costs down and helps us to provide exemplary opportunities for learning.

Please share this link with your family and friends who might wish to support Divine Savior School.

You can find the digital copy of our State of the School Report at [https://www.divinesaviorschool.org/pdf/2020\\_state\\_of\\_school%20pdf.pdf](https://www.divinesaviorschool.org/pdf/2020_state_of_school%20pdf.pdf)

Additionally, be sure to check out our new Online Giving service which we have added to the home page on our website. This will allow you or family members to make a gift to our school at any time using either your banking information or by using your credit card. You can give now at <https://www.osvhub.com/divine-savior-catholic-school/funds>.

Thank you again for your continued prayers and support.

The diocese has asked that I share the following information.....

## CDC GUIDELINES REGARDING QUARANTINE AND TRAVEL UPDATES

### QUARANTINE GUIDANCE

**On Friday, Dec. 4, the Wisconsin DHS announced new COVID-19 guidance on quarantine duration.** The updated quarantine guidance allows for close contacts of someone diagnosed with COVID-19 who **DOES NOT** develop symptoms to end their quarantine prior to 14 days, although **14 DAYS REMAINS THE "BEST PRACTICE" ALTERNATIVE BEFORE ENDING QUARANTINE:**

- After completing day 10 of quarantine without testing if NO symptoms have developed
- After completing day 7 of quarantine and receiving a negative test result (molecular or antigen, i.e., either the PCR/standard test or the "rapid" test) that was collected within 48 hours of the end of quarantine if NO symptoms have developed.

# Teacher Christmas Shopping Made Easy!

Would you like to remember your favorite teacher(s) during this holiday season but aren't sure how or what they might like? We can help! **The Teacher Christmas Script Gift Program is back!**

Easy Peasy!

**Remember – the final turn in date is Friday, December 18, 2020.**
