November 20, 2020

The mission of Divine Savior Catholic School is to provide a high-quality, personalized, Catholic-based education that inspires and empowers its learners to achieve academic excellence and develops life-long learning skills. Learners are challenged to walk as disciples in the footsteps of Christ valuing knowledge, prayer, and service to others.

## LETTER FROM THE PRINCIPAL

Dear Parents,

Happy Thanksgiving! Even amid the chaos of the covid pandemic we still have much to be thankful for. Thank you for the many sacrifices you have made since last March with the several virtual periods of instruction. Thank you for helping with our school fundraisers, especially with the changes that had to be made. Thank you for trusting the staff at Divine Savior School to provide for the education of your children.

I would like to thank and publicly acknowledge Kelly Hunsader for organizing and working on re-staining the playground equipment. Thank you to Kathy Lefeber and Karen Kornetzke for their help with the project. Good job!

Thank you to Jeff Voland for preparing to have some bases and four-square games painted on the playground.

Thank you to Mike and Sarah Nimmer for planning and organizing a school spirit project. This is their message to you:

Show your school spirit! Order Divine Savior apparel for Christmas. You can get the Divine Savior logo on any of the items listed in the link below. Mae Rylie has an online store now for Divine Savior! Order your Divine Savior swag and show your school spirit!

Mike will be picking up the orders and delivering them to school before Christmas.

Last year the students began creating portfolios of their work. With the pandemic occurring, we were only able to do that one quarter last year. With the start of the second quarter now in progress, the students will once again be creating portfolios. They will share this with you at the end of the second quarter along with their report cards.

TODAY (Friday), you should receive a Zoom invitation to your parent-teacher conference next Tuesday evening. I hope this virtual format will be a positive experience for you.

Thanksgiving vacation begins after classes on Tuesday.

4K and 5K classes will attend Mass next week Tuesday as well as the four weeks of Advent beginning December 1. 4K through Grade 8 will attend the Holy Day Liturgy on December 8. Due to social distancing, the students take up most of the Church. The parishes are adding a couple of other Masses for the Holy Day.

Our violin students will present a brief demonstration at 10:00 on Wednesday, December 2 in Church. There is room in the back of Church if you want to see what they have mastered in the first session of lessons.

**PARENTS OF CHILDREN IN GRADES 3-8:**

Would you be interested in having your child(ren) participate in an intramural basketball program this year?

Would you be interested in coaching?

**Please send an email to school or send a note with your child informing us of your answers. If there is interest in having team(s) and we have coaches, we will pursue a program.**

The school WILL NOT be hosting a basketball tournament this year due to the covid-19 pandemic.

At the Board of Trustee meeting this week, the issue of masking in the day care was discussed. The CDC recommends children ages 2 and up wear masks if possible. The Board affirmed our decision to require masks for all children ages 3 and up. Parents of children age 2 are encouraged to mask their children but we will not mandate that.

A separate email is being sent with a current list of procedures to follow regarding covid-19, close contact, quarantine requirements, etc. By following these guidelines, we can help slow the spread of the virus. Your compliance is greatly appreciated.

Our next newsletter will be December 4.

Together in Christ,  
Kerry Sievert
