LETTER FROM THE PRINCIPAL

Dear Parents,

We are seeing a significant increase in the number of student absences. With those absences parents often request teachers to put together student work. If you wish to stop every day after school, the teachers could have papers compiled that were distributed that day. They are not able to prepare student work for an anticipated absence of several days or weeks. Our school policy is that work is given to students upon their return.

Students in grades 3K, 4K, and 5K will have a different way of preparing papers and will let you know what to do if you contact them. The teachers in grades 1-8 simply do not have time to prepare for the day's classes, set up virtual class sessions for absent students, preparing materials for the day,and then preparing individual papers and packets for the upcoming several days.

If your child will be home for an extended period, he/she should log in to Google Classroom at the appropriate and normal class times to hear the daily presentation. For some classes such as math or reading, your child may have the book(s) at home and can complete the daily assignment. But for other materials distributed above, they will be available daily at the end of the school day or for the week at the end of the day on Friday.

Google Classroom will be handled differently for 3K-Grade 2 than for the older students. Those students are expected to log in to their class at the usual class time. If they do not, they will be marked absent. For the younger students, the teachers will let you know how they are doing their virtual or taped lessons.

Thank you for your understanding.

School pictures will be taken next week Thursday morning. Picture orders are only being done online. Information for that is included with this newsletter.

Together in Christ,
Kerry Sievert
