

Uniting Faith and Knowledge

Divine Savior
Catholic School

September 8, 2020

The mission of Divine Savior Catholic School is to provide a high-quality, personalized, Catholic-based education that inspires and empowers its learners to achieve academic excellence and develops life-long learning skills. Learners are challenged to walk as disciples in the footsteps of Christ valuing knowledge, prayer, and service to others.

A NOTE FROM THE PRINCIPAL

Dear Parents,

We made it through week 1. This has been a most unusual start to a school year and one I am sure your children will remember forever. Thank you for all of your cooperation in making our plan succeed.

I must tell you that I have been very, very impressed with the student's cooperation. They are trying to social distance and wearing face masks has not been much of an issue. If you have not yet labeled your child's face mask with his/her name, I would strongly encourage you to do so. When the face masks are not being worn, such as at recess or lunchtime, the masks are placed in a plastic bag. But...as can be expected, a couple have been found on the floor and we don't know who they belong to. Please label your child's lunch box and water bottle.

Our first liturgy is next week Tuesday. The students have been assigned seats to maintain social distancing. That means that there are only a few pews left in the back for adults. If you come to Mass, you may have to sit in the narthex. Students will not be doing the readings or prayers of the faithful for the foreseeable future. The teachers will assume those roles. 4K and 5K will not attend Mass in September. Also, students do NOT need to wear dress pants or the school polo since we cannot accommodate a clothing change. Parents and grandparents will not be allowed to meet and greet their children or grandchildren after Mass. Adults are asked to leave Church through the narthex promptly after Mass. Thank you for your help and understanding.

School photos are scheduled for Thursday, September 24. Your child should come to school that morning wearing whatever clothing you want the photo to show.

MAP testing will begin on Monday, September 14 for K5-8. Students will test periodically for 2-3 weeks.

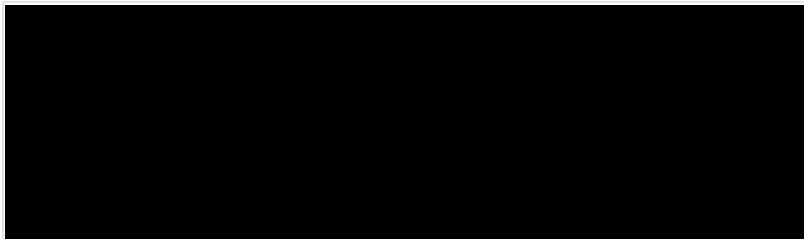

Let us remember all those families affected by the covid-19 pandemic and pray for its end.

Together in Christ,
Kerry Sievert

APPLE PIE FUNDRAISER

It's that time of the year again! It's time for our Annual Apple Pie Fundraiser! Please see the attached link to sign up to volunteer to make pies! This fundraiser is a volunteer requirement and if you are not able to volunteer for 20 hours, an additional \$300 will be added to your tuition bill.
