Hello everyone!

It was so great to see everyone last Thursday! I cannot wait until tomorrow to get started with this new adventure!

We still do not have a cook. This means we must have cold lunch until we can find someone. We are actively following any leads anyone gives us. Please feel free to reach out to anyone who you think might be interested.

Please remember our wellness policy in the handbook for any snacks and lunches you send with your child to school. We will have milk available for lunch. Please do not send something that needs to be warmed up. We cannot warm up everyone's food every day. So, if you want to send something warm, please use a thermos or something similar. We also ask that you send utensils as we do not have anyone to wash forks or spoons after lunch.

Speaking of snacks, please send any treats to share with the class, including birthday treats, in individual, store bought packages.

The Covid rate is rising in our area. At this point our policy remains the same. Please remember that it is fluid and can be changed at any time if needed. As the rate increases, it is understandable that you may want your child to wear a mask. That is awesome! The teachers and I will be talking to the children about accepting everyone no matter their beliefs just as Jesus did. We are also taking all the sanitizing precautions necessary. We want to protect your children.

God bless!

Mrs. Holst

Divine Savior offers high quality, personalized, Catholic-based education that inspires and empowers its learners to achieve academic excellence and develops life-long learning skills. Learners are challenged to walk in the footsteps of Christ valuing knowledge, prayer, and service to others.
