Hello everyone!

No school tomorrow! Have a blessed day!

I hope everyone saw the living rosary we did this week. It was such a beautiful prayer! If you missed it, here is the link: <https://youtu.be/Emzev6xSjFk>

Reminder about the make-up date for pictures. It will be this Thursday, October 21. This is only for the students who could not make it to Orientation and therefore never had their pictures taken.

Office announcement: Could you please call or send an email to the office if your child will be out of school for the day? We ask you do this by 8:00 AM. If you call before anyone is here, please leave a message on the machine. You can also email the office at divinesaviorcatholicschool@gmail.com We ask you do not send a message with another child. To cover us legally, we need to have the message come from the parent. If we do not hear from you, we will try to call you. We worry about someone who is not here.

Divine Savior is offering basketball to 3rd-8th grade students in both the school and parish. If your child is interested, please fill out the form below.

Anyone interested in coaching basketball?? Teams would be Boys and Girls 3rd-8th grades (depending on how many students sign up and if we get enough coaches). Message or text Mike Ninmer if you are interested. 920-483-0405

Finally, please get the word out so we could fill the cook position. The DPI is giving us until the end of the month to fill the position. Then our contract will be canceled. If we get someone after that, we will have to reapply and that could take weeks, if not months. With that same thought, please send healthy lunches with your child. The school is supposed to enforce a wellness policy and some lunches are not following that. Thank you!

God bless!
