Hello everyone!

I hope this finds you all healthy and happy!

Things are going well at school. Everyone seems to be settling into their schedules.

MAP testing will begin next week. Please try to have your child(ren) get enough sleep as these tests can tell our teachers where the strengths and weaknesses are.

Hopefully we will have hot lunch soon! Donna Widmer has agreed to be our cook! She just needs to do her training and we need to get the DPI to approve our contract. My goal is to have hot lunch in October. More to come as we get this process moving.

Speaking of new hires, we also have a full-time aide joining us on Monday. Her name is Theresa Gaedke. So much excitement!

We do have several students with colds and allergies. Several have been tested for Covid and all came back negative. This is a reminder to keep your child home if they are sick. They must be home if they have a fever or are throwing up. They must be 24 hours free of these symptoms without medication before coming back. If you do send your child to school with only 1 symptom, it would be nice if a mask is worn to keep their germs to themselves and not share with the class.

Thank you to all who have donated to our Pennies for Peace. This is ongoing until the end of the month, so you still have time to donate. Also, be on the lookout for the pinwheels next week. We are doing Pinwheels for Peace and will have a prayer service to go along with that.

God bless!

Mrs. Holst

Attached is information on apple pie food sign-up

APPLE PIE FOOD SIGN-UP

FUEL YOUR FRIENDS AND FAMILY WITH THE FOOD YOU LOVE!

Friday October 1st, 2021 - We feed 100+ Volunteers breakfast, lunch, dinner.
