Hello everyone!

I hope you enjoy the picture of our kindergarteners at the Pinwheels for Peace Prayer Service the other day. It went well! Also, the Pennies for Peace collection is going on until the end of the month if you still want to contribute.

MAP testing is going well. We still have another week to go yet so please make sure your child is getting enough rest. Thank you!

Now for the not so good news. We still do not have a cook. The lady who agreed to do it decided it was not the job for her. Please pass the word and say many prayers that we get another person soon. It would be great to have the hot lunch program again.

Speaking of lunch, please be sure to send all food in unbreakable containers. We had a glass dish shatter all over the floor the other day. Thanks!

Another reminder, that if your child has a cold, please consider sending him/her with a mask(s). It helps to contain the germs and stop the spread. We do encourage the children to share, but not germs. The Board of Trustees is meeting on Tuesday, and this is a topic of discussion, as it will be all year.
