Hello everyone!

I write this with so much excitement! It has been awesome seeing all the eager students and teachers working so hard. Everyone seems to be settling in well.

Remember tonight is the big Back to School Pizza Bash. Don't forget to come at 6:00. See you there.

We are working on hiring a cook. We do have someone who is interested. Now we need to do all the background checks and training. Hopefully in a couple of weeks we will have our hot lunch program back. Until then please send cold lunch with your child(ren).

Please remember all birthday treats and other shared treats need to be in the individual store-bought packages.

Remember to fill out the form for your child to take their Chromebooks home. We would like everyone to fill one out. Prayers that we do not need to go virtual, but then we are ready. If you do not want your child to bring it home any other time, please make a note of it on the form.

We do require the black Divine Savior polos for Mass every Tuesday. Please be sure your child wears one then. If you need to order one, the order forms are on our website. I believe this is it:

Finally, our school is focusing on peace this month. We are doing various activities to promote peace. One of these is Pennies for Peace. We are collecting money (it doesn't have to be just pennies) to be given to the American Red Cross at the end of the month. Please remind your child to bring something to add to the collection. Maybe make them earn money to bring in. This could be a way to get some chores done at home.

God bless!

Mrs. Holst
