		<b>TOTAL</b>	

It is that time of year where we look at our lives and make resolutions to better ourselves. This week is the prime time to be a gym membership salesman or self-help coach, and it makes sense because we live in a culture that is consumed with self. This year though, why not try to make an effort to reach out to others with your resolutions.

I challenge you to decide on one thing in 2020 that will help to bless other people.

Here's one suggestion: The IRS allows grandparents, relatives, friends and others to help school families with tuition costs through \$scrip purchases. You can do that by writing both their name and your name on the order form when you purchase \$scrip. Don't know a family you can help? Just write Tuition Assistance down in the name spot. It'll go to help families in need of assistance.

Tuition credit for preschool, Divine Savior School and the Faith Formation program is 2% of the total amount of \$scrip and runs from July 1 to June 30, continuous over the summer months.

Not sure where to start? Stop down in Voland Hall after any Mass and see a \$scrip volunteer. They can answer your questions and get you on your way to your 2020 resolution. We know you can do it!
